Interpower Group of Companies Privacy Policy

Interpower Group of Companies is committed to protecting your privacy. The information we collect is used exclusively to provide you with the products and services you have requested. We value your privacy and will take all necessary steps to protect it.

Shared Information

Interpower Group of Companies, which includes independent sales representatives and third party contractors will not sell, transfer, assign or rent your customer information without your permission. In the unlikely event that Interpower Group of Companies changes this policy, we will provide you advance notice. In situations where required by law, Interpower Group of Companies may share this information in cooperation with law enforcement authorities.

Security

We have appropriate security measures in place in our physical facilities to protect against the loss, misuse or alteration of information that we have collected from you at our site.

Cookies

Interpower Group of Companies uses cookies to remember you and personalize your Web experience. Cookies are alphanumeric identifiers that are transferred to your computer's hard drive, through your web browser. When this information is stored on your hard drive, our system is able to recognize your browser and in turn send you to the correct web site.
