PRODUCTS

CLASS 5852 01 - HARNESSSES - Wiring

Wiring harnesses, consisting of certified un-insulated female quick-connect connectors and other certified components, assembled with certified insulated equipment wire; constructed in accordance with equipment manufacturer drawing and specifications.

Notes:

- These wiring harnesses are designated as "General Applications" only and constructed in accordance with a harness diagram.
- These devices are not for interrupting current.
- These wiring harnesses are CSA Certified only for use as a component of other assemblies where the suitability of each combination is determined by CSA International.

APPLICABLE REQUIREMENTS

INFORMS Wiring Harnesses No. 2 - CSA Certification Program for Wiring Harnesses
